

## **Visiting Garden Chairperson**

The Club President shall appoint the Visiting Garden Chairperson. The chair has the option of selecting other members to participate on the committee.

Term: 2 year

- **The purpose of the Visiting Garden Chairman is to arrange for opportunities for enjoyment, education, and social gatherings through visiting gardens locally, nationally and internationally.**
- **The Chair of Visiting Gardens is responsible to:**
  1. Facilitate club member visits to the gardens of other club members.
  2. Consider options wherein garden visits are combined with social gatherings
  3. Serve as a communication link between KMGC, the Zone XI Visiting Gardens Chairman and GCA.
  4. Act as a resource for members who wish to visit other Garden Club of America gardens throughout the United States.
  5. Disseminate Garden Club of America information about its organized garden tours and travel opportunities to KMGC members.
  6. Attend monthly board meetings as necessary.

The Visiting Gardens Chair should remain current by:

- Attending any meeting arranged by national committee representatives in the Zone.
- Reading information about the national committee on the committee page of the GCA website.
